OPTIONS

Cheyenne, the ultimate for mass seating applications! Cheyenne combines high density stacking capabilities with ergonomic design. The unique feature of **Cheyenne** is the backrest. It articulates with the weight of the individual user, providing ergonomic comfort. Articulation is achieved with a single piece frame which flexes as the back pivots around its upper and lower crossbars.

Cheyenne is available in polypropylene, upholstered, cushioned/upholstered, and upholstered fixed seat and back models with or without arms. Frames are available in 24 powder coated colors, as well as chrome. Polypropylene seats and backrests are available in a choice of 14 standard colors. **Cheyenne** is also available in a tablet arm version (right and left hand models) with an optional bookrack which makes it ideal for classrooms and corporate training rooms.

A transport dolly is available for **Cheyenne Seating**. Armless chairs stack 25 high while armchair and cushioned seat versions stack 12 high.

Cheyenne. The first high density, ergonomically correct stack chair!

An optional bookrack, constructed with a steel rod frame and finished in bright chrome, snaps into place on the Cheyenne.

Chrome framed chairs can be aligned in a row with large wire loop gangers. Ganging devices only available in a chrome finish.

A transport dolly is available for Cheyenne. Cheyenne armless chairs stack 25 high on the dolly which can easily pass through a standard 80" doorway. Polypropylene, upholstered, and arm chair versions are stackable.

An assortment of different finished tablet arms are available. Standard tablet measures 20.5" long and 12" wide. Tablet arm flips up allowing for easy accommodation.

FIXED SEAT & BACK

Cheyenne Fixed Seat & Back

offers a variety of upholstery options. These allow the end user their choice of many of their favorite upholstery styles and patterns. The cushioned, upholstered seat and back pads add to the comfort of the passively ergonomic features of this chair.

Over time styles change and fabric can become soiled.

Cheyenne Fixed Seat & Back pads can easily be replaced for a fraction of the price it would cost to replace the whole chair.

Comfort, Durability, Style, Stackability—**Cheyenne** certainly has what it takes to meet your needs.

The arm is integral to the frame. A two piece polypropylene armrest encapsulates the frame. Cheyenne seating can be specified with or without upholstered arm caps. Choose from a variety of fabrics.

The seat of the Cheyenne is hung from the lower back so the occupant's weight perfectly counter-balances the tilting pressure on the backrest.

Cheyenne comes with a fixed seat & back option for added comfort. The seat and backrest cushions can be ordered in a variety of different fabrics and are easily field replaceable.

Cheyenne offers several different glide options, including stainless steel, PVC and non-skid glides, to meet the customer's needs.
